Check out our Friday Night Street Wars program, and its feature "KING OF THE STREET" Street Cars galore come out and rotate through staging at a blinding rate. Why chance racing on a public road, getting a ticket or worse, arrested, when you can come out and race here all night, hassle free.

Sign up for "King of the Street and Win a 3' trophy, get your picture taken and put on our site and win bragging rights. We crown a new King of the Street every Friday Night.

We built this Dragway primarily for the purpose of giving Street Cars a place to race in South Florida. This is Your Drag strip and Friday night is Your Night. Get the word out, and come out and run what you brung. It is the safe, smart, alternative when you feel the need for speed.
